NDRRMC UPDATE

Sitrep No. 03 re Preparedness Measures and Effects for Typhoon "ULYSSES" (I.N. VAMCO)

Releasing Officer:

UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE: 13 November 2020, 8:00 AM

Sources: DOST-PAGASA, DILG, DSWD, DPWH, DOH, BFP, DA, OCDROs I, II, III, CALABARZON, MIMAROPA, V, VIII, CAR, and NCR

I. SITUATION OVERVIEW

08 November 2020

At 10:00 PM, The Low Pressure Area East of Mindanao has developed into Tropical Depression "ULYSSES".

09 November 2020

At 2:00 PM, "ULYSSES" intensified into a Tropical Storm. Its center was estimated at 575 km East of Borongan City, Eastern Samar with maximum sustained winds of 65 km/h near the center and gustiness of up to 80 km/h moving northwestward at 15 km/h.

At 10:00 PM, TS "ULYSSES" maintained its strength while moving over the Philippine sea. TCWS No. 1 was hoisted in the eastern portion of Camarines Sur, the eastern portion of Albay, Catanduanes, the northeastern portion of Sorsogon, and the eastern portion of Northern Samar.

10 November 2020

At 4:00 AM, "ULYSSES" had slowed down while moving northwestward. TCWS No. 1 was in effect in Catanduanes, Camarines Norte, Camarines Sur, Albay, Sorsogon, the eastern portion of Masbate including Ticao and Burias Islands, the southeastern portion of Quezon, Northern Samar, the northern portion of Samar, and the northern portion of Eastern Samar. Strong breeze to near gale conditions is currently prevailing or will affect these localities within 36 hours of hoisting of the wind signal.

At 4:00 PM, TS "ULYSSES" intensified further as it continues to move northwestward. TCWS No. 2 is in effect in Catanduanes, Sorsogon, Albay, Camarines Sur, and the eastern portion of Camarines Norte while TCWS No. 1 is hoisted in Quirino, Nueva Vizcaya, the eastern portion of Pangasinan, Aurora, Nueva Ecija, Tarlac, Pampanga, Bulacan, the central and southern portions of Zambales, Bataan, Quezon including Polilio Islands, Metro Manila, Rizal, Laguna, Cavite, Batangas, the rest of Camarines Norte, Masbate including Ticao and Burias Islands, Marinduque, Romblon, Oriental Mindoro,

Occidental Mindoro including Lubang Islands, Northern Samar, the northern portion of Samar, and the northern portion of Eastern Samar.

At 7:00 PM, “ULYSSES” intensified into a Severe Tropical Storm. TCWS No. 2 is also in effect in the central and southern portions of Quezon including Polilio Islands, Burias and Ticao Islands, and Marinduque while the provinces of Mountain Province, Ifugao, Benguet, La Union, the central and southern portion of Isabela, Zambales, the rest of Quezon, and the rest of Masbate was put under **TCWS No. 1**.

At 10:00 PM, STS “ULYSSES” is now moving westward towards Southern Luzon. TCWS No. 2 is hoisted in the central and southern portion of Aurora, the southeastern portion of Nueva Ecija, the northern and eastern portion of Bulacan, Metro Manila, Rizal, Laguna, Quezon including Polilio Islands, Marinduque, Camarines Norte, Camarines Sur, Catanduanes, Albay, Sorsogon, Ticao Island, and Burias Island while **TCWS No. 1** is in effect in Isabela, Quirino, Nueva Vizcaya, Kalinga, Mt. Province, Ifugao, Benguet, Abra, Ilocos Sur, La Union, Pangasinan, the rest of Aurora, the rest of Nueva Ecija, Tarlac, Zambales, Bataan, Pampanga, the rest of Bulacan, Cavite, Batangas, Occidental Mindoro including Lubang Island, Oriental Mindoro, Romblon, the rest of Masbate, Northern Samar, the northern portion of Samar, and the northern portion of Eastern Samar.

11 November 2020

At 10:00 AM, “ULYSSES” intensifies into a Typhoon while moving closer towards Quezon-Aurora Area. TCWS No. 3 is hoisted in the southern portion of Aurora, the southern portion of Nueva Ecija, the eastern portion of Pampanga, Bulacan, Metro Manila, Cavite, Laguna, Rizal, the northern and central portions of Quezon including Polillo Islands, Catanduanes, Camarines Norte, the northern portion of Camarines Sur, **TCWS No. 2** is hoisted in The central and southern portions of Quirino, the central and southern portions of Nueva Vizcaya, the southern portion of Benguet, the southern portion of La Union, Pangasinan, Zambales, Bataan, Tarlac, the rest of Pampanga, the rest of Nueva Ecija, the rest of Aurora, Batangas, the rest of Quezon, Marinduque, the northern portion of Occidental Mindoro including Lubang Island, the northern portion of Oriental Mindoro, the rest of Camarines Sur, Albay, Sorsogon, and Burias and Ticao Islands and **TCWS No. 1** is in effect in Isabela, the rest of Quirino, the rest of Nueva Vizcaya, Kalinga, Mountain Province, Ifugao, the rest of Benguet, Abra, Ilocos Sur, the rest of La Union, the rest of Occidental Mindoro, the rest of Oriental Mindoro, Romblon, and the rest of Masbate. Northern Samar, the northern portion of Samar, and the northern portion of Eastern Samar.

At 10:30 PM, TY “ULYSSES” made landfall in the vicinity of Patnanungan, Quezon. Its maximum sustained winds of 150 km/h near the center and gustiness of up to 205 km/h moving West Northwestward at 15 km/h.

At 11:20 PM, the center of the eye of Typhoon “ULYSSES” made its second landfall in the vicinity of Burdeos, Quezon.

12 November 2020

At 1:40 AM, TY “ULYSSES” made its third landfall in the vicinity of General Nakar, Quezon.

At 4:00 AM, “ULYSSES” moves inland and is now in the vicinity of Southwestern Nueva Ecija. Destructive winds and heavy to intense with at times torrential rainfall associated with the region of inner rainbands and eyewall of the typhoon will be experienced over central and southern portions of Aurora, the northern portion of Quezon including Polillo Islands, Nueva Ecija, Bulacan, Tarlac, Pampanga, Pangasinan, Zambales, Bataan, Metro

Manila, and Rizal within the next three hours. Moderate to heavy damage to infrastructure and vegetation is expected.

At 10:00 AM, TY “ULYSSES” maintains its strength and is now over the West Philippine Sea, west of Zambales. TCWS No. 3 still hoisted in the western portion of Pangasinan, Zambales, Bataan, Tarlac, and Pampanga, **TCWS No. 2** is still in effect in the central and southern portion of Isabela, Quirino, Nueva Vizcaya, Mt. Province, Ifugao, Benguet, the southern portion of Ilocos Sur, La Union, the rest of Pangasinan, Aurora, Nueva Ecija, Bulacan, Metro Manila, Cavite, Rizal, Laguna, Batangas, the northern and western portions of Quezon including Polilio Islands, the northwestern portion of Oriental Mindoro, and the northwestern portion of Occidental Mindoro including Lubang Island and **TCWS No. 1** is still hoisted in the rest of Isabela, Kalinga, Abra, the rest of Ilocos Sur, the rest of northern portion, Oriental Mindoro, the rest of northern portion of Occidental Mindoro, and the central portion of Quezon. TCWS in other areas was lifted.

At 10:00 PM, TY “ULYSSES” maintains its strength as it continues to move westward. All TCWS was lifted.

II. EFFECTS

A. INCIDENTS MONITORED (TAB A)

A total of **137 incidents** were monitored in Regions I, II, III, CALABARZON, MIMAROPA, V, CAR, and NCR due to TY “ULYSSES”:

TYPE OF INCIDENT	NO. OF INCIDENTS
Flooding	105
Landslide / Soil Collapse	8
Maritime	2
Uprooted Tree / Fallen Posts	22
TOTAL	137

B. AFFECTED POPULATION (TAB B)

A total of **44,194 families or 170,561 persons** in **811 barangays** in Regions II, CALABARZON, MIMAROPA, V, NCR, and CAR were affected due to TY “ULYSSES”. Of which, **19,982 families / 74,721 persons** are being served inside **825 evacuation centers** while **1,558 families / 5,897 persons** are being served outside evacuation centers.

C. CASUALTIES

A total of **12 dead, 8 injured, and 14 missing** persons were reported in Regions II, CALABARZON, V, and CAR due to TY “ULYSSES”.

D. STATUS OF LIFELINES

1. Roads and Bridges (TAB C)

A total of **181** road sections and **62** bridges in Regions I, II, III, CALABARZON, V, VIII, NCR and CAR are affected by flooding, mudflow, landslide, swollen river, and soil/rock collapse. Of which, **161** road sections and **58** bridges are not passable.

Sources: DPWH, OCDROs I, II, III, CALABARZON, MIMAROPA, V, VIII, CAR, and NCR

2. Status of ports

A total of **485 passengers, 184 rolling cargoes, 36 vessels, and 3 motorbancas** were stranded in the different ports of Regions CALABARZON and MIMAROPA. Moreover, **114 vessels and 35 motorbancas** are currently taking shelter to the

different ports within the said regions as precautionary measures against possible threat of TY "ULYSSES":

Source: OCD-ROs Situational Reports as of 12 Nov. 2020
 Note: Changes in figure may change upon validation of DILG

B. NATIONAL DRRM COUNCIL (NDRRMC)**1. NDRRM Operations Center (NDRRMOC)**

- Maintained RED ALERT Status since COVID-19 response operations.
- Continuous monitoring and ensure dissemination of Weather Advisories, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- Prepared a total of **123 Emergency Alert and Warning Message (EAWM)** for dissemination of Telecommunication Companies to the affected areas for TY "ULYSSES"

2. Philippine Atmospheric Geophysical Services Administration (PAGASA)

- a. Continuous weather monitoring and provision of weather updates.

3. Department of the Interior and Local Government (DILG)

- a. Continuously provided all available information to all concerned DILG Regional and Field Offices regarding the TS ULYSSES through texts and emails such as PAGASA's Global Spectral Model/Weather Research Forecasting Model Forecast Rainfall, Severe Weather Bulletins and Tropical Cyclone Warning for Shipping; and MGB's Updated Barangay List of LGUs Prone to Landslide, Debris Flow and Flood.
- b. DILG CODIX attended the NDRRMC Emergency Meeting for TS "ULYSSES".
- c. Issued a memorandum on the activation of the Disaster Online Reporting and Monitoring System (DORMs) for Tropical Depression (now Tropical Cyclone) "ULYSSES" in DILG Regions CAR, NCR, I, II, III, CALABARZON, MIMAROPA, V, VI, VII and VIII.
- d. Informed and recommended to regional and field offices to activate concerned BDRRMCs for early warning measures, vigilant monitoring, and intensify the use of social media platforms for public information, and implement pre-emptive evacuation in areas with high to very high susceptibility to storm surge, floods and landslide.

DILG Regional Level

- Coordinated with Provincial and Field Offices on the status of the pre-emptive evacuation in the affected LGUs
- Assessed preparedness measures of all affected LGUs
- Concerned ROs participated in the RDRRMC Pre-Disaster Risk Assessment meeting for TY "ULYSSES"
- Constant monitoring of the weather condition and updates to the LGUs through the C/MLGOOs
- Disseminated advisories received from PAGASA and CODIX
- Disseminated list of Barangays susceptible to flooding and landslides from the MGB
- Monitored critical preparedness actions of the LGUs within their respective jurisdictions
- Continuous monitoring of weather bulletins and critical cyclone track chart and dissemination of same to Provincial and Field Offices
- Submitted updates and situational reports to the SILG thru DILG-CODIX

LGU Level

- Activated all BDRRMCs, prepositioned necessary supplies and prepared evacuation centers, are on full alert and continuously monitoring, disseminating weather updates to the communities.
- Informed Punong Barangays of weather advisories and other relevant information.
- Conducted clearing operations of line canals along national highways, inspected bridges suspended port operations.
- Placed all heavy equipment, and emergency and rescue equipment on standby.
- Prepositioned and initiated response operations such as deployment of search and rescue teams to affected areas.

- Prepositioned and distributed relief goods and other assistance to evacuees in affected areas.
- Conducted pre-emptive evacuation in affected areas.
- Continuous monitoring of weather advisories and bulletins within its locality and situation through social media platform, radio, and TV.

4. Bureau of Fire Protection (BFP)

- Issued memorandum addressed to BFP Regional Offices dated 30 October 2020 re Reiteration of the Intensification of OPLAN PAGHALASA and Observance of Precautionary Measures in Response to the Effects of Weather Disturbance.
- Assigned DO personnel to monitor situational reports of all regions every six hours.
- Continuous coordination with respective DRRMCs and other agencies and monitoring of the AOR for flood and landslide-prone areas.

5. Philippine National Police (PNP)

- Raised the alert status to RED in all PROs.
- Activated the Reactionary Standby Support Force (RSSF) and the Natural Disaster Operations Center (NDOC).
- Coordinated with the different LAO Clusters.
- Issued advisories to affected Regions.
- Assisted DRRMOs in conducting force evacuation to all low-lying areas.

PROs I, II, III, CALABARZON, MIMAROPA, V, VIII, CAR, NCRPO

- Activated its respective RDIMTGs.
- Provided security to main supply routes and to all members of responding emergency response clusters.
- Deployed personnel in evacuation areas and vacated areas.
- Placed SRR personnel on standby.

6. Department of Social Welfare and Development (DSWD)

- The DSWD Central Office (CO), Field Offices (FOs), and National Resource Operations Center (NROC) have stockpiles and standby funds amounting to **₱1,476,375,948.73**.

• Standby Funds

A total of **₱888,627,488.37 standby funds** in the CO and FOs. Of the said amount, **₱847,262,513.19** is the available **Quick Response Fund (QRF)** in the CO.

• Stockpiles

A total of **278,105 family food packs (FFPs)** amounting to **₱126,435,773.24**, **other food items** amounting to **₱185,417,102.66** and **non-food items (FNIs)** amounting to **₱275,895,584.56** are available.

- h. Established the Incident Command System.
- i. Placed the IMT for Hydro-meteorological hazards on Standby.
- j. Checked inventory of logistics in all warehouses at the Region and within the Province.
- k. Ensured the availability of vehicles and drivers 24/7.
- l. Placed standby administrative staff, engineers, security and safety officers.
- m. Placed the following Response Teams on stand-by for possible deployment:
 - Rapid Health Assessment Team
 - Public Health Services:
 - Health / Medical Team
 - Psychosocial Team
 - Water, Sanitation and Hygiene Team.
 - Nutrition Team and Mass Casualty Incident Response Team.
- n. Established the direction and the points of command, control and communication during anticipated escalation of the event.
- o. Anticipated scenarios and alerts and guide additional teams going to the site as needed.
- p. Coordinated with regional hospitals for their preparedness and availability of back-up teams.
- q. Ensured that all communication equipment (e.g., radio, mobile phones) are always available, functional, and ready for use during emergencies and disasters.
- r. Coordinated with all health-related response efforts to major health emergencies and disasters.
- s. Facilitated the issuance of appropriate warnings to all concerned health offices and facilities in anticipation of impending emergencies.
- t. Prepositioned drugs and medicines in the Regional and Provincial DOH offices.
- u. Positioned dome tent in strategic areas and areas of concern for health services.

DOST PAGASA

- a. Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on 10 November 2020.

DEPED MIMAROPA

- a. Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on 10 November 2020.
- b. Monitored weather updates from DOST-PAGASA and inform/coordinate to divisions regarding the tropical depression affecting AORs.
- c. Advised and monitored divisions to inform /reiterate schools regarding preparedness measures as per DO 83 s.2011 and DM 108 s.2016.

- d. Monitored divisions and schools to be affected by tropical depression and if there are schools to be used as evacuation centers/areas.
- e. [Monitors announcement on the suspension of works in offices and schools \(SWF\) and updates from the divisions.](#)
- f. [Sent/instructed Division DRRM Coordinators to monitor, advice and remind SDRRMCs regarding the prevailing weather situation.](#)
- g. [Disseminated advisories from PAG-ASA to divisions/schools.](#)
- h. [Directed/Instructed field offices to closely coordinate with LGUs for Local inter-agency actions to be undertaken.](#)
- i. [Monitored SDO coordinators to attend/coordinate virtual PDRA and response cluster meeting within their locals/AOR with adherence to all health protocols-if onsite.](#)

DICT LUZON CLUSTER 3

- a. Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on 10 November 2020.
- b. Placed assets on standby (e.g. VHF/HF Radios, handheld radios) within provinces for constant communication.
- c. Alerted the provincial offices to conduct maintenance check of ICT offices for possible leaks on premises especially in Point of Presence areas (Palawan Office) to assure equipment's safety.
- d. Continuous monitoring of wi-fi sites before disaster as baseline data for checking of availability of ICT services and facilities during and post disaster.
- e. Constant monitoring of installed IP radios and communications devices to ensure the free wi-fi's accessibility.
- f. Close coordination with DRRM offices and different LGUs for monitoring of different Tech4ED Centers and free wi-fi sites.
- g. Advised checking of generator sets and oil in preparation for possible power outage during typhoons and low-pressure areas in DICT LC 3's area of responsibility.
- h. Conducted inventory of equipment per province.
- i. [Conducted dashboard monitoring of free Wi-fi for all operation status.](#)

PRO MIMAROPA

- a. Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on October 29,2020.
- b. Ensured the availability of search and rescue assets and personnel.
- c. Alerted all Police Provincial Office down to their lower units and continuous monitoring of situation in their respective AORs.
- d. Directed lower units to undertake precautionary measures and other disaster preparedness activities.
- e. Directed all members of the Regional Head Quarters and Regional Mobile Force Battalion.
- f. Placed SAR Team to be ready for any possible Search and Rescue Operations.

BFP MIMAROPA

- a. Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on October 29,2020.
- b. Prepositioned available assets of 947 personnel, 303 SRU personnel, 114 fire trucks, and 565 tools.
- c. Placed all SRR, trucks, and response assets readily available for possible deployment.

- c. Activated the DSWD FO V QRTs.
- d. Activated the PAT and MAT members in the 6 provinces and instructed to coordinate with the P/MDRRMOs, C/MSWDOs for TY “ULYSSES” reports and updates.
- e. Ensured the availability of 21,978 family food packs amounting ₱11,147,961.30 at the DSWD Warehouse and standby funds amounting to ₱3,000,000.00.
- f. Ensured the availability of food items such as NFA rice (27,250 kilos) Gold cup sardines (352 tins), Youngstown corned beef (352 tins), SanMig 3in1 coffee (62,227 sachets); and non-food items such as 52 sets of tents, 4,882 boxes of sleeping kit, 477 boxes of family kit, 388 sets hygiene kit, 3,061 kitchen kit, 33, 335 pcs. malong, 1,734 rolls laminated sacks, 514 (10 meters) and 21,330 pcs blanket amounting ₱25,261,041.90.
- g. [Provided 2,100 family food packs amounting to ₱1,201,500.00 to the affected areas.](#)
- h. [Prepositioned 1,000 family food packs in Daet, Camarines Norte.](#)

DILG V

- a. Activated the Regional Operation Center.
- b. Issued urgent memorandum re Activation of Provincial Operation Centers;
- c. Required our field officers to submit LGU’s LISTO Preparedness Checklist
- d. Prepared Situation Reports once the Disaster Monitoring and Reporting System is activated

DOH-CHD V

- a. Still on Code BLUE Alert Status.
- b. Activated the ICS with the 24/7 OpCen operation.
- c. Conducted inventory of logistics.
- d. Coordinated with Provincial DOH Offices and Provincial DRRM-H Managers on the status of preparedness relative to the weather disturbance
- e. Reiterated DM No. 2020-0318 Re: Interim Guidelines in the Prevention and Control of COVID-19 during Disaster Evacuation and Displacement and DM

No. 2020-0157 Re Guidelines on Cleaning and disinfection in Various Settings as an Infection and Prevention Control against COVID-19.

- f. Attended the RDRRMC Pre-Disaster Risk Assessment via Zoom.
- g. Disseminated advisories through DOH CHD Bicol Official Facebook page.
- h. Continuous monitoring of the weather disturbance and provided updates.
- i. Dissemination of Regional Circular no. 2020-0068 re Code Blue Alert in relation to TY "ULYSSES".
- j. Coordinated with Provincial DRRM-H Managers and PDOH Offices
- k. Placed medical/RHA teams on standby for deployment.
- l. Disseminated advisories through Facebook page.
- m. [Deployed medical teams in the various evacuation centers.](#)

Provincial DOH Offices

- a. On Code Blue status
- b. Conducted Inventory of logistics
- c. Coordinated with PDRRMS R/CHU, M/CDRRMO, HRH
- d. Assisted on the implementation of forced evacuation
- e. Disseminated weather advisories and health advisories and health advisories thru FB page

DENR-MGB V

- a. Released timely Landslide Advisories to Local Government Units
- b. Coordinated with the PAGASA Southern Luzon of the developments of TY "ULYSSES" for the preparation of MGB Advisories

PAGASA SOUTHERN LUZON

- a. Disseminated weather updates/advisories including localized weather updates to the Regional and local DRRMCs and other stakeholders.
- b. Continuous weather monitoring.

DPWH V

- a. Positioned DRRM Team ready for emergency response brought about by the typhoon to ensure road safety.
- b. Clearing of National Roads

JTF BICOLANDIA (PA, PAF, NAVY)

- a. Installed the SMVRS (repeater) in order to provide communication support in the area.
- b. Conducted joint force evacuation at Brgy Tamban, Tinambac, Camarines Sur.
- c. Deployed teams to provide assistance to evacuation and distribution of relief in strategic location in the region.
- d. Continuous monitoring of situation in the AOR and coordination with Regional and Local DRRMCs.

PNP-PRO V

- a. Released memorandum to all PDs/APDs, PPOs, CD, NCPO and RMFB5 as Full Alert Status for TY "ULYSSES".
- b. Activated Emergency Operations Center and respective DIMTGs and put on stand-by Search and Rescue Teams (SAR) for possible deployment
- c. Coordinated to the respective Local DRRMC on the preparation for flood, landslide and pre-emptive evacuation in AOR
- d. Advised all control point/checkpoints for the queuing of all delivery trucks and other vehicles bound to Visayas, Masbate, Catanduanes and other parts of the Region to avoid port and route congestion
- e. Employed initiatives and best practices during disaster to attain zero-casualty

- f. Prepositioned resources logistics and manpower
- g. Placed SAR personnel and equipment of the Regional Mobile Force Battalion 5 (RMFB5) on standby.
- h. Continuous monitoring of the situation.
- i. Placed liaison officers on standby at the RDRRMC Emergency Operations Center.
- j. Close coordination with Regional and Local DRRMCs.

COAST GUARD DISTRICT BICOL

- a. Dispatched 1 DRU to the Province of Camarines Norte to augment response Operations.
- b. Disseminated weather updates to all sub-stations.
- c. Continuous monitoring of situation of sea ports of Bicol Region.
- d. Implemented the NO SAIL POLICY.
- e. On-going patrol and manning of control points and patrols.
- f. Placed four (4) SRR Teams on standby at the CGD Bicol Headquarters.
- g. Placed personnel, equipment, and mobility on standby for possible deployment.
- h. Disseminated weather updates to all sub-stations.
- i. Continuous monitoring of situation of sea ports of Bicol Region.

BFP V

- a. Provided manpower augmentation to the RDRRMC Emergency Operations Center
- b. Conducted Bandillo, Fire truck visibility and water level monitoring.
- c. Conducted Water Rationing at Bicol University Polangui Campus and Polangui General Comprehensive High School.
- d. Continuous coordination with R/P/C/MDRRMCs.
- e. Assist in the evacuation operations of LGUs and in the repacking of relief goods.
- f. Placed all personnel on stand-by in case of any deployment.
- g. Placed the Regional Headquarters, Provincial Offices and Fire Stations on Red Alert Status.
- h. Continuous activation of OpCen at BFP Regional Headquarters 5 and at BFP Provincial Offices.
- i. Implemented preparedness measures and extend assistance in the conduct of pre-emptive evacuation of the LGUs
- j. Tight coordination with the local DRRMCs on DILG-LGU Operation LISTO.
- k. Undertake proactive steps in partnership and coordination with their Regional, Provincial, City/Municipal Risk Reduction and Management Councils, PNP, AFP, LGUs and other government and non-government agencies relevant to the delivery of fire safety rescue/emergency medical services and disaster related operations.
- l. Continuous activation of OPLAN PAGHALASA (Paghahanda Laban sa Sakuna) and Oplan Listo
- m. Standby/Operational readiness of all units ready to respond to any emergency and rescue operations.
- n. Ensured adherence to COVID19 Health Protocol in the event of emergency response.
- o. [Conducted damage assessment and clearing operations.](#)

DA RFO V

- a. Activated the DA RFO 5 Regional Command and Action Center.

- b. Distributed and prepositioned seeds for rice, corn drugs and biologics for livestock and poultry needs which are ready and available at DA RFO 5 Research Outreach Stations.

LTO V

Issued and Implement temporary suspension of land travel of vehicles bound for Visayas and Mindanao.

PRC V

- a. Prepared response equipment, communications and logistics (wash and relief logistics)
- b. Prepared and briefing of team for deployment
- c. Continuous coordination with the National Headquarters and PDRRMCs

PDRRMC Albay

- a. Maintained coordination with PAGASA and close monitoring of weather bulletins.
- b. Monitored evacuation and maintained coordination with all LGUs in Albay.
- c. Provided public information and awareness through broadcast, print and social media.
- d. Issued of PDRRMC Advisories.
- e. Continuous coordination with all LGUs in Albay
- f. Continuous coordination with PAGASA and close monitoring of the impending threat of TY "ULYSSES".
- g. Hosted and facilitated a virtual meeting with local DRRM officers of Albay in preparation for the impending weather disturbance.

PDRRMC Camarines Norte

- a. Issued an unnumbered memorandum on 9 November 2020, stating the Red Alert Status for TY "ULYSSES".
- b. Conducted PDRA at the Operations Period Briefing of the
- c. Provincial IMT today November 10, 2020 in preparation for possible impact of TY "ULYSSES".

- a. Deployed task forces with 15 personnel each and with engine and rescue team, preemptive evacuation is on going.
- b. Activated Incident management team and emergency operation center .
- c. Conducted pruning of trees and clearing of drainage and water ways
- d. Conducted preemptive evacuation in low lying areas.
- e. Continuous monitoring of flood prone barangays.
- f. Disseminated information and timely weather updates.
- g. Convened CDRRMC for an emergency/PDRA meeting.
- h. Ensured the availability of standby capacities (rescue equipment, rescue vehicles on standby, search and rescue team 24-hour duty)-prioritize prepositioning of supplies and equipment for response.
- i. Activated the EOC.
- j. Disseminated pertinent weather information and evacuation center information.

7. RDRRMC VI

DSWD VI

- a. Placed all QRT members on standby and ready for augmentation if needed, following the new normal protocols of the agency.
- b. Issued a total of 150 vests, 50 GO bags, 50 survival bags, and 50 sleeping kits to QRT members in the region and field staff.

8. RDRRMC VIII

OCD

- a. Sent memorandum to R/LDRRMCs on the submission of preparedness measures including the updates of evacuation centers and directory of DRRMOs.
- b. Conducted PDRA meetings on 10 November 2020.
- c. Activated BLUE alert status.

DSWD VIII

- a. Prepositioned a total of 10,400 FFPs in strategic areas in the region.

- b. With available standby funds amounting to ₱3,194,543.00.
- c. Prepositioned FFPs in Samar Island shall be distributed immediately by the P/C/MATs to LGUs that need augmentation support.
- d. Placed all QRT members on standby and ready for augmentation.
- e. Ensured the availability of family food packs and non-food items as need arises.
- f. Prepositioned the following:
 - 10,370 FFPs amounting to ₱5,329,450.26
 - FNIs: Kitchen Kits – 91 sets, Sleeping Kits – 49 sets, Malong - 3,575 pcs.
 - Standby funds amounting to ₱3,194,543.00

DILG VIII

- a. Attendance to the RDRRMC PDRA meeting.
- b. Issued advisory to all local chief executives to monitor TY “ULYSSES”.
- c. Issued memorandum to field officers to disseminate advisory to all LGUs and advise them to implement actions per LISTO protocols.
- d. Issued advisory No. 2 advising LGUs to take preparedness measures following LISTO protocol including issuing a ban on fishing and water travel.
- e. Disseminated MGB data on flood and landslide prone LGUs and PAGASA weather advisories via email and messenger.

DOH VIII

- a. Raised Code WHITE alert re TY “ULYSSES”.
- b. Prepositioned logistics to six (6) PDOH.

DA VIII

- a. Ensured the availability of buffer stocks at the regional field office.

DTI VIII

- a. On-going monitoring of commodities.

DOST VIII

- b. Disseminated weather updates.

PNP VIII

- a. Provided assistance in the imposition of forced evacuation of residents to evacuation centers in coordination with the LDRRMC.
- b. Mobilized force multipliers in AOR particularly the Barangay Peace Keeping Action Teams (BPATs) for disaster responses.
- c. Monitored road conditions particularly major thoroughfares and provide appropriate signage/detours/alternate routes and relays to RTOC/PTOC/LDRRMC for information of the SRR teams and the public.
- d. Ensured that Police Security Assistance maintain safety and order inside Evacuation Camps.
- e. Directed all PDs/COPS to ensure their presence and to supervise the conduct of Law and Order operations in the affected areas.

Coast Guard District Eastern Visayas

- a. Organized DRG teams, CMA floating assets and mobility.
- b. Prepared peculiar equipment for possible deployment.
- c. Ensured timely declaration of suspension of trips.
- d. PCG Catbalogan suspended/cancelled sea travels.

PDRRMC Samar

- c. Instructed LGUs to conduct Pre-Emptive Evacuation on high risk hazard areas.
- d. Placed SRR Teams with rescue vehicles and heavy equipment on standby.
- e. Activated evacuation centers and CCCM Teams in preparation for pre-emptive/forced evacuation.
- f. Prepositioned relief goods ready for augmentation.

PDRRMC Eastern Samar

- a. Monitored weather updates, warnings and advisories and disseminated the same to LGUs through their MDRRMOs.
- b. Disseminated MGB List of LGUs and barangays susceptible to flooding and landslide.
- c. Activated the EOC, ICS and ERTs,
- d. Prepositioned relief goods ready for augmentation.

PDRRMC Southern Leyte

- a. Assisted in the dissemination of DILG Advisory re the weather disturbance to all DRRMOs.
- b. Identified evacuation centers for vulnerable/affected families.
- c. Advised fisherfolks not to venture out at sea to avoid untoward maritime incidents.
- d. Conducted widest dissemination of weather advisories via Tri-Media outlets, social media and radio communication volunteer groups.
- e. Advised LDRRMCs to undertake precautionary measures and submit their actions taken to Regional EOC.

CDRRMO Ormoc

- a. Conducted PDRA with CDRRMC.
- b. Placed all response personnel and equipment are on standby.

MDRRMC Tomas Oppus

- a. Convened LDRRMC upon receiving the severe weather bulletin.
- b. Reviewed LDRRMC Contingency Plan and Hazard Risk Maps.
- c. Conducted PDRA and prepared appropriate response plan.
- d. Organized Response teams and monitoring and reporting team.
- e. Conducted inventory of supplies, equipment and stockpile of goods.
- f. Disseminated public warnings thru established warning systems and weather bulletin especially to families in identified danger zones.

 - f. Partnered with the Peoples' Television – Cordillera (PTV-CAR) relative to continuous airing of Emergency Broadcast System disseminated to the general public through digital TV applications and online platforms.

DOST-CAR

- g. Continuous monitoring and maintenance of Community-Based Flood Early Warning Systems (CBFEWS) in coordination with LGUs and DOST-ASTI.

PAGASA Baguio Synoptic Station

- a. Continuous monitoring of the area of responsibility and providing weather updates, advisories, and forecasts for dissemination.

DILG CAR

- a. Issued an advisory to all DRR-CCA Focal Persons, DILG Provincial Offices and Provincial DRR-CCA Focal Persons on weather disturbances.
- b. Instructed all DILG FOU's to take proactive measures and directed all LGUs to monitor all PAGASA weather advisories and bulletins, and use the Met-Hydro Decision Support InfoSystem (Meteopilipinas), drmmis.dostcar.ph, ASTI's Philsensor website, MGB's Geohazard Web Portal, and HazardHunterPH (to check for natural hazards and hazard assessment reports)
- c. Disseminated all available information to all concerned DILG FOs regarding the weather disturbances through texts and emails.
- d. Ensured the utilization of Oplan LISTO manuals by the LGUs/LCEs.

DSWD CAR

- g. DSWD FO CAR ensured the availability of food and non-food items for augmentation to the Local Government Units in times of disaster.
- h. Placed all Provincial SWAD Teams on Alert.
- i. Continuous monitoring of weather situation and advisories-rolled out 3-day Rainfall Forecast to Provincial SWAD Teams.
- j. Ensured Quick Response Teams are on standby for possible augmentation
- k. Prepositioned Relief Resources (FNIs) in the Regional Warehouse.
- l. Ensured for the availability and necessary use of standby funds and readiness of transport vehicles.
- m. [Prepositioned 11,686 FFPs amounting to ₱5,329,450.26; 1,013 NFIs; and standby funds amounting to ₱3,206,400.00](#)

DPWH CAR

- a. Disseminated information relative to the status of road networks.
- b. Continuous monitoring of the national (essential) road networks and bridges situations in the Cordillera region through DPWH District Engineering Offices (DEOs).
- c. Continuous sending of situational reports on national roads and bridges to the Cordillera RDRRMC EOC.

- d. Participated in the Regional PDRA conducted through a Video-Teleconference on 09 November 2020.

DICT-LCI

- a. Ensured the provision of free public Internet access in public places to augment emergency communication in various communities within the Cordillera.
- b. Continuous monitoring, operations, and maintenance of Regional Government Network in Baguio City.

DepEd CAR

- a. Coordinated with Local DRRMCs on the conduct of preparedness activities on response needs, among others.
- b. Placed on heightened alert and continuously monitor the AOR with rapid damage assessment teams on stand-by.
- c. Coordinated with LGUs for possible conversion of school facilities as Evacuation Centers.
- d. Conducted hazard assessment for flooding and landslide safety.
- e. Constant monitoring of the suspension of classes (including online classes) within the Region.

DA CAR

- a. Monitoring and relay of PAGASA weather advisory and early warning to DA APCOS for dissemination to partner LGUs and farmers for their urgent preparations: to harvest crops already matured and make necessary cleaning and repairs of irrigation canals, storage warehouses and production facilities reminding that ventilations should be closed; wind brakes and house bands of greenhouses be tightened to prevent entry of strong winds damaging structures.
- b. Reactivated the DA-Emergency Operations Center
- c. Continuous monitoring of supply and prices of prime agricultural commodities
- d. Continuous monitoring of standing crops by commodity and by crop growth stages as basis in the computation in case there are damages and losses thus avoiding bloated report.
- e. Continuous daily monitoring and tracking of storm updates released by PAGASA for dissemination to the APCO's, LGU partners, and farmers.

DOH CAR

- a. Continuous monitoring of uneventful health and health-related incidents, in close coordination with the Cordillera RDRRMC EOC.
- b. Activated the 24/7 operation of the Emergency Operation Center – for Non COVID and other concerns and Cordillera One Hospital Command Center – for COVID concerns.
- c. Ensured the adequacy of prepositioned logistics and buffer stock to the Provincial Department Offices (PDOHOs) such as CAMPOLAS Kit, Hygiene Kits, First Aid Kits, WASH Commodities (Disinfectants, chlorine granules, aquatabs), and PPEs.
- d. Ensured the adherence to COVID-19 minimum health standards at all times.
- e. Intensified health promo campaigns through BIDA Solusyon and distributed risk communication materials.

DENR CAR

- a. Continuous monitoring of trees (dead or alive) which poses danger for possible cutting.

- b. Continuous coordination with local counterparts, electric cooperatives, and other stakeholders for monitoring and possible augmentation.

MGB CAR

- a. Issued the updated list of barangays in CAR that are susceptible to landslide and flooding based on the 72-hour model of PAGASA.
- b. Issued landslide and flooding threat advisories to all PDRRMOs and MDRRMOs.

PROCOR

- a. Activated the PROCOR IMPLAN 13-2018 PROCOR Disaster Risk Reduction and Management Plan (Revitalized SAKLOLO).
- b. Placed the PNP PROCOR personnel and capabilities/resources on standby ready.
- c. Ensured on the on-call anytime to extend assistance or response in case of emergencies and other eventualities.
- d. Conducted inventory of SAR equipment.
- e. Sent memorandum to lower units to coordinate with their respective local MDRRMCs.
- f. Coordinated with the Cordillera RDRRMC EOC and on stand-by mode for possible disaster operations, deployment, and augmentation.

BFP CAR

- a. Coordinated with the Cordillera RDRRMC EOC and on stand-by alert mode for possible disaster operations, deployment and augmentation.
- b. Activation of Oplan Paghalasa (Paghahanda Laban sa Sakuna) in anticipation of a worst-case scenario.

Cordillera RIMT

In close coordination with the Cordillera RDRRMC EOC and on stand-by alert mode for possible disaster operations, deployment, and augmentation.

PIA- CAR

Continuous information dissemination on safety tips, public advisories, and road alerts in close coordination with the Cordillera RDRRMC EOC.

NTC CAR

- a. Placed on standby for possible augmentation.
- b. Placed the communication groups on standby for possible mobilization.

NAPOCOR/ Dams Mgmt.

- a. Continuous monitoring of dam levels and issuance of appropriate warnings to the possible affected communities in cases of spilling operations.

BENECO Inc.

Continuous issuance of news, updates, and notices of scheduled power interruptions and in close coordination with Cordillera RDRRMC EOC on other related concerns.

NGCP

- a. Continuous issuance of news, updates, and notices of Scheduled Power Interruptions and in close coordination with Cordillera RDRRMC EOC re related concerns.

- b. Ensured the reliability of communications equipment, availability of hardware materials and supplies necessary for the repair of damages to facilities, as well as the positioning of line crews in strategic areas, to facilitate immediate restoration work.

AFP

- a. Placed on heightened alert and continuously monitors the AOR.

Tactical Operations Group 1 (TOG 1), PAF

- a. Placed on standby for possible response augmentation.
- b. Supported the conduct of Rapid Damage Assessment and Needs Analysis through aerial survey.

14th CAR RCDG, ARESKOM, PA

Placed on heightened alert and continuously monitor the AOR.

503IBDE, 5ID, PA and Naval Forces Northern Luzon (NFNL), PN

Placed on standby for possible response augmentation.

PDRRMC Abra

- a. Maintained the RED alert status of the Provincial DRRMC for continuous monitoring of COVID19 and weather disturbance.
- b. Heightened alert status to ensure the readiness of response teams in case of any untoward incident within the AOR.
- c. Continuous monitoring of municipalities and barangays along Abra River Basin and other flood-prone areas.
- d. Placed SAR equipment and personnel on standby.
- e. Disseminated information through radio and social media.

DILG - Abra

- a. Disseminated weather updates all LGUs in the province through the issuance of advisory.
- b. Issued a memorandum to MLGOOs to activate their operation center for the monitoring of situational reports.
- c. Issued PO to activate operation center at the Provincial Offices.
- d. Disseminated a copy of the DILG advisory relative to the activation of EOC and critical preparedness actions for weather disturbances to concerned offices and departments of the LGUs.

PDRRMC Apayao

- a. Heightened the alert status to ensure the readiness of response teams in case of any untoward incident within the AOR.
- b. Maintains the RED Alert Status of the Provincial DRRMC for continuous monitoring of COVID19 and weather disturbance.
- c. Continuous monitoring of the availability of Evacuation Centers in consideration of other facilities being used as COVID19 Isolation Facilities.
- d. Conducted prepositioning of goods to high risk barangays.
- e. Placed all responders and heavy equipment on standby.
- f. Utilized all available EWS to ensure widest dissemination of a timely weather and safety advisories.

DILG - Apayao

- a. Issued Advisory advising LCEs to take the necessary LGU Actions
- b. Continuous monitoring for the preparedness of LGU per LISTO Checklist

- c. Issued Memorandum on the Activation of DILG Disaster Monitoring and Reporting

PDRRMC Benguet

- a. Continuous coordination and updating with local suppliers in relation to their MOA for the provision of food and non-food items.
- b. Maintained the RED alert status of the Provincial DRRMC for continuous monitoring of COVID19 and weather disturbance.

CDRRM Baguio City

- a. Maintained the RED Alert Status of the Provincial DRRMC for continuous monitoring for COVID19 and weather disturbance.
- b. Issued CDRRMC Memorandum to all Barangay DRRMCs re preparedness measures for the weather disturbance amidst COVID19 pandemic.
- c. Regular updating and issuance of public advisories through text-blasts system and various social media platforms.
- d. Distributed portable radios to all barangays to ensure uninterrupted communication line and connection.

PDRRMC Ifugao

- a. Maintained the RED Alert Status of the Provincial DRRMC for continuous monitoring for COVID19 and weather disturbance.
- b. Coordinated with MDRRMC relative to the weather disturbance.
- c. Alerted PDRRM council members and Emergency Rescue Volunteers relative to the weather situation.

DILG - Ifugao

Activated the Provincial Operation Center and Disaster Monitoring and Reporting System.

PDRRMC Kalinga Provincial DRRM Council
